Your partner may remain in the main scheme until they or you reach 70 years, whichever occurs first.

# Life assurance

This benefit is payable on the death of the subscribing member or their partner up to the age of 70 years.

The scheme is written in Trust. This means that the benefit does not form part of the member's estate and is not, under current legislation, subject to inheritance tax. Benefit payments are dispersed by the Trustees at their discretion; normally to the member's chosen beneficiary. It is therefore important to keep the beneficiary details at the Federation office up to date.

Partners can remain in the scheme until they reach the age of 70 years or until the serving or retired officer reaches 70 years, whichever occurs first. Benefit levels depend on the age of the retired officer.

Officers retiring on ill health grounds may continue to subscribe to the scheme. Benefits remain the same as for officers retiring normally

## Terminal illness benefit

If a member under the age of 64 is diagnosed as having an illness or injury from which he or she is expected to die within 12 months, they may apply for an advance of 20% of the life assurance benefit.

## Child death grant

This benefit is paid upon the death of a dependent child aged between six months and 17 years.

## Bereavement counselling and probate advice

24 hour helpline: **0800 912 0826** - confidential support with unlimited telephone access. Providing emotional help and specialist legal advice on all aspects of obtaining probate.

## Terms and conditions

- 1 New recruits may join the scheme providing they are actively at work on the date they wish to join and do so **within six months of commencement of employment.**
- 2 Existing serving officers may also join the scheme at any time providing they have not been absent from work due to ill health or injury during the eight weeks preceding the application to join.
- 3 Partners may join the scheme providing they join at the same time as a new recruit or within three months of either marrying or becoming a serving officer's partner. Partners who wish to join at any other time may do so provided they are able to satisfy the health declaration detailed in the partner application form.

*Definition of partner - "Partner" means the person to whom the subscribing member is married or in a Civil Partnership with or, if not, a person who is openly cohabiting with him or her and who has been so cohabiting for the six months' period prior to the date of inclusion in the policy, and on whom such a member is financially interdependent.*

# Best Doctors

The Best Doctors® service provides the peace of mind of a confidential expert second medical opinion if a member, partner or their dependent children up to age 21 (25 if still in full time education) and living with them, are facing a worrying medical condition.

Best Doctors work in conjunction with the patient and the treating doctor to ensure diagnosis and treatment are correct, providing an independent and comprehensive assessment. They work with a worldwide panel of specialists who have been selected by their peers as being the very best in their field.

Unlimited access to the Member Care Centre is included, providing a confidential telephone based helpline, which is available 24 hours a day, 7 days a week, throughout the year.

It involves just three simple steps:

**Step one - Connect:** call the Best Doctors Member Care Centre, which is open 24 hours a day, 365 days a year. You will be assigned your own dedicated Case Manager, who will remain a constant throughout, to guide you through the process. Your Case Manager will identify the most appropriate Consultant to review your case.

**Step two - Investigate:** Best Doctors collect your medical records from your treating practitioner. The expert consultant reviews your case and prepares a detailed report answering all of your questions, based on their comprehensive analysis of your medical documentation.

**Step three - Answer:** your Case Manager will send you the report and discuss the content with you. You are free to share this report with your treating practitioner so that together you can make the most appropriate decisions about your treatment.

## Ask the Expert

The Ask the Expert service can help where a diagnosis is straightforward and you need information about a condition, prognosis or treatment quickly, then the Best Doctors database of experts in their specific field can help. They can answer your questions without requiring a full review of your medical records.

To get expert medical support from Best Doctors call the **Member Care Centre: 0800 085 6605**
