How much does it cost to help protect yourself and your colleagues when the unthinkable happens?

Just £2.50 a month!

Dear Colleague,

It won't happen to me, or to any of my colleagues, that unforeseen accident, unexpected bereavement or other insurmountable problem, of course it won't. Unfortunately things that change lives for ever and turn day to day living from normal to somewhere between uncomfortable to downright intolerable, do happen, and sometimes they do happen to us, to our workmates, or to people they really care about.

We are all guilty of putting the unthinkable out of our minds, and of course, life would be a nightmare if we always thought the worst. However for some, the unthinkable does happen, for some, what we think of as normal moves from enjoying a full life, to facing an uncertain future with terrifying swiftness. This is where your Benevolent Fund can help, by providing things the 'system' cannot fund or does not have access to.

Your Benevolent Fund can and does help those who are experiencing the unthinkable and is able to contribute in a tangible way, changing lives that have been blighted for the better, helping those who for whatever reason are unable to help themselves, by making life tolerable again. However for the Benevolent Fund to provide this help for those you care about in the future, it needs your help now.

The things that are vital for quality of life, when the future is looking bleak, or only affordable if everyone gives a little now so that we can support your Benevolent Fund now and know that it will be there for you and the ones you would like to see be helped when they need it most.

You may be wondering what sort of help your benevolent Fund can and does give, so I'd like to share some examples of the tangible ways, in which your Benevolent Fund can and does help those who have given their lives to serving the police.

An annual visit to a police widow revealed that her upstairs windows were cracked. She was an immensely proud woman who did not have the money to replace the windows, and as she lived alone, she simply moved to the down stairs rooms, covered the windows with cardboard and tried to keep the heat in, and accepted her lot. After the visit an application to help her resulted in the fund replacing the windows and doors, supplying some portable electric heaters and some decorating. This changed her life in two ways, making her more comfortable and more importantly making her feel valued.

Dick O'Brien was medically retired with MS. He needed some conversion work done on his house when he became unable to walk even with the aid of sticks. The Benevolent Fund arranged for a ramp to his front door and replaced the standard door with a wider one to allow electric wheelchair access. He was also subsequently bought an electric wheelchair (scooter) on which he can now get out of the house to the supermarket to do some shopping. A stannah chairlift gets him upstairs. His quality of life, simply by being able to get around in and out of the house has changed immeasurably for the better.

Simon Anderson was involved in a police vehicle motorcycle accident resulting in him being paralysed from the waist down. He is confined to a wheelchair, and the Benevolent Fund assisted by having the downstairs widened to allow him to move around. He had bought a house with a swimming pool when he was fit, as his wife has a back injury and needed to swim to prevent seizures. The benevolent Fund purchased an electric sling hoist on a rail track over the pool so that he can now wheel himself to the pool, hoist himself into the sling and then track over and down into the pool. A wet room and chair was also fitted allowing him to shower in the wet chair.

Adrian (Basil) Price was an extremely keen sportsman, often running to work and home again to keep fit. He suffered a heart attack due to hereditary illness which medical staff had underestimated. During the operation he lost circulation to his leg and had to have it amputated. His life was now turned upside down. The benevolent Fund paid for a scientific sports leg made of light alloys that has enabled him to return to an active life.

So you can see the Benevolent Fund can and does give tangible help to those who need it, when they need it.

The Avon and Somerset Constabulary, as you may be aware was formed by merging the Bristol and the Somerset and Bath Constabularies. Similarly the Benevolent Fund encompasses pensioned members of these forces. The Fund's constitution is available from the Fund Secretary, or through the Treasurer.

Due to a variety of reasons, we have taken our eye off the ball in terms of asking new recruits to join the fund and the trustees are finding that money is flowing out faster than it is coming in. The fact is that we are living longer and so calls to the Benevolent Fund are increasing all the time.

That's why I am urgently asking for your help now! Please find time to fill in the attached form and donate that all important £2.50 per month so that we can make life so much better for those in real need. Don't delay, get your form in today.

Funds will ensure that colleagues in need, whether serving or retired, widows or widowers, get the help the years of service have earned them.

Yours sincerely,

Alan Bell
Hon. Treasurer

Dear Sir/Madam,

Your Reference 705/S2

My National Insurance Number

Date of Appointment

I have been appointed as a Constable in the Avon and Somerset Constabulary since the above date.

My Staff Association, the Police Federation of England and Wales have informed me that an agreement has been reached over tax relief on subscriptions since April 1994.

I understand that your Inland Revenue head office reference is:

SAPP/T1644/23/82/MA

I am required to pay, on a calender monthly basis, various amounts. Over the last six years these amounts have been as follows:

January	2009 to	December	2010	£17.55 per month
from January	2011 to	present date		£21.58 per month

I therefore apply for relief on those subscriptions, as per the agreement outlined above.

I also wish to claim the relevant proportion of the £140 per annum also agreed by the Police Federation with you.

Thank you for your assistance in this matter.

Yours faithfully
